Wall-Box

Faceplate

Side View

For Models: PB1-W-PRO, PB1-W-EZ & PB1-W-COM

the
PlayBox™

wall-box for the Sonos® Play:1™/One™

TEMPLATE

H: 8.25" x W: 5.625"
(8 1/4" x 5 5/8")

- 1 Place template at desired speaker location and ensure it is level.
- 2 Mark along perimeter with pencil, cut on the outside of the lines.
- 3 Install box by tucking bottom in first, then push top portion into cut-out.

HINTS & TIPS

- Use a stud finder to ensure area is free of obstructions
- Beware of required space (on top) to clear power supply and for wall-box protrusion (on bottom)
